1. In response to Recommendation 3, [redacted] (Environmental Health and Preventive Medicine Officer) was informed by [redacted] (Chief, Safety Group, Office of Security) and [redacted] (Industrial Hygienist, Safety Group, Office of Security) that the conditions in South, Central, and East Buildings which motivated "Recommendation 3" (see attachment) were addressed at some length several months ago. In addition, there is a full occupational safety and health inspection scheduled this May/June for the areas in question. It will be conducted by the Industrial Hygienist and Environmental Health and Preventive Medicine Officer. Any new problems will be noted at that time.

2. In response to Recommendation 10, Chief, [redacted] [redacted] OTS, and Chief, Psychological Services Division, OMS, have had preliminary discussions on issues of mutual concern and interest. Arrangements for the next meeting will be made during the week of 23 March. Substantive issues that will be discussed are the offices' different clientele ([redacted] versus PSD employees/applicants); related testing and assessment capabilities; and areas of possible intercomponent support, e.g., data analysis, pooling of knowledge and techniques. Opinions and recommendations resulting from this meeting will be forwarded no later than 30 April 1981.
